

Progress report on
2017 government election commitments

November 2018

Queensland
Government

Minister	Department	Commitment	Status
Premier and Minister for Trade	Department of the Premier and Cabinet	Queensland Made: Labor's Plan to Protect and Create Manufacturing Jobs Appoint a dedicated Minister for Manufacturing.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Establish a Minister for Veterans' Affairs (formalising the Premier's responsibilities).	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Maintain a Minister for Seniors.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Write to the Prime Minister to notify him that the Queensland Government will exercise its 'veto' and not support the \$1 billion Northern Australia Infrastructure Facility (NAIF) loan for Adani's proposed rail line.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Provide a \$10,000 donation toward the ongoing cost of a 24-hour National Family Helpline.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Fund a \$1.5 million grant program over three years for veterans' groups and other organisations to provide support services to veterans and for the creation, upkeep and renovation of monuments, memorials and other public sites recognising veterans' achievements.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	An extra \$20 million to Screen Queensland to try to attract more movie blockbusters and television series to Queensland.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	\$200,000 to prepare a Far North Queensland screen production strategic plan.	In Progress
Premier and Minister for Trade	Department of the Premier and Cabinet	Continue to lobby the Federal Government for a permanent increase in the location tax offset from 16.5 per cent to 30 per cent.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Develop and implement the Advance Queensland 10-Year Roadmap for the Screen Industry, a draft version of which was released for industry consultation in October 2017.	Completed
Premier and Minister for Trade	Department of the Premier and Cabinet	Seek advice from the Office of the Queensland Parliamentary Counsel (OQPC) regarding the Queensland Law Society's suggestion that Bills be provided in tracking where they propose amendments to existing legislation, to assess the potential impact on OQPC of such a requirement.	Completed
Premier and Minister for Trade	Public Service Commission	Create a 12-month pilot public sector program identifying at least 100 job opportunities for veterans.	In Progress

Key:  Completed  In Progress  Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Premier and Minister for Trade	Public Service Commission	Run a recruitment campaign targeting veterans and provide online resources to help veterans match their skills with available roles in the public sector.	In Progress
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Up to \$51.6 million to extend the \$20,000 Queensland First Home Owner's Grant to the end of June 2018.	Completed
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Change the existing 3 per cent transfer duty surcharge to foreign buyers of Queensland property to 7 per cent from July 2018. Existing exemptions designed with industry for major property developments that demonstrate clear benefits to Queensland, including in the form of jobs, will remain.	Completed
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Introduce a new land tax category from July 2018, covering an estimated 850 large property holdings — not farms — worth above \$10 million at a rate of 2.25 per cent for individuals and 2.5 per cent for trusts, companies, or absentee landholders. The system will continue excluding principal place of residence.	Completed
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	An additional \$2 per \$100 of dutiable value will be added to the transfer duty costs for buyers of new cars of more than \$100,000 from July 2018.	Completed
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Introduce a 15 per cent charge on the net wagering revenue of betting companies offering services to Queenslanders from July 2018. It will apply to all bets placed in Queensland with betting companies based in the Northern Territory. This measure will not impact on the Tatts Group retail wagering arrangements in place until 2044.*	Completed
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	In consultation with the Local Government Association of Queensland (LGAQ), investigate the feasibility of providing local governments with a whole-of-government overview of State Government spending on local government as part of the budget process each year, similar to the regional breakdowns which are currently provided.	Completed

Key:  Completed  In Progress  Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Commission a Treasury study of long-term global coal thermal and coking demand based on International Energy Agency projections. The outcomes will be included in the assumptions for regional transition strategies.	In Progress
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Powering Queensland's Future Create a new, publicly-owned, clean energy generation company — CleanCo — by restructuring Queensland's two publicly-owned electricity generation companies into three with a strategic portfolio of low and no emission power generation assets. CleanCo will be given a mandate to add to its portfolio of power generation assets.	In Progress
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Powering Queensland's Future Deliver at least 1000MW of new renewable generation by 2025 including through CleanCo.	In Progress
Deputy Premier, Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships	Queensland Treasury	Progress legislation to ensure all land disturbed by mining activities is rehabilitated to a safe and stable landform that does not cause environmental harm and is able to sustain an approved post-mining land use.*	Completed

Minister for Transport and Main Roads	Department of Transport and Main Roads	Investigate new approaches to wayfinding for cycle networks across Queensland.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Investigate the collection of injury and incident data relating to cyclists to understand how data sources can better work together to improve analysis of serious injury road crash data.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$800,000 towards planning and business case development for the Coopers Plains level crossing.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Invest \$14 million, over the next four years, in the Activate Queensland Policy to help build walking, cycling and horse-riding trails on disused rail corridors in Biloela, Gayndah, Mundubbera, Mulgildie and Bundaberg/Gin Gin areas. This will include funding for the Pineapple Rail Trail at Yeppoon.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	M1 Action Plan Subject to the finalisation of the business case, provide \$206 million for the six-laning of the Pacific Motorway between Varsity Lakes and Tugun.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	M1 Action Plan Invest \$25 million to upgrade the Oxenford (Exit 57) interchange on the Pacific Motorway.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	M1 Action Plan Invest \$16 million to develop a business case for future upgrades of the M1 corridor between Eight Mile Plains and the Logan Motorway to address: - upgrading the northbound lanes between Eight Mile Plains and Rochedale - upgrading the remaining section from Rochedale to the Logan Motorway - extending the South East Busway beyond Eight Mile Plains.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Continue to lobby the Federal Government to secure a fair share of funding for the M1 by seeking \$800 million from the Federal Government in a 80-20 split.	Completed

Key: Completed In Progress Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Minister for Transport and Main Roads	Department of Transport and Main Roads	Establish a \$1 million fund to help charities meet safety standards for roads or transport-related works associated with their developments. This fund will support Farm Animal Rescue at Dayboro.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Bring forward Queensland's share of funding for the \$180 million project to duplicate the Douglas to Bohle Plains section of the Townsville Ring Road to four lanes (dual-carriageway).	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Commit to funding a 20 per cent share of the final stage of the Cooroy to Curra (Section D) project between Woondum and Curra to create a Gympie bypass.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Establish an independent Bruce Highway Trust and appoint a pre-eminent Queensland (Peter Garske) as Chair of the Trust. Representatives from the Department of Transport and Main Roads, the Department of State Development, Manufacturing, Infrastructure and Planning and the Federal Department of Infrastructure and Regional Development will be invited to join the Trust to provide subject matter and governance expertise.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Once established, the Bruce Highway Trust will develop a new 15-year vision for the Bruce Highway. The Trust will identify and prioritise projects to be delivered through rolling five-year Action Plans. The Trust will be provided with \$10 million over two years for the development of the 15-year vision and initial Action Plan.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Work with the Federal Government to ensure that savings made during the \$8.5 billion 10-year Bruce Highway Upgrade Program are reinvested along the Bruce Highway and not reallocated to other States.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Provide \$30 million to deliver targeted investments (i.e. for wide centreline treatments and rest areas) in safety hotspots along the Bruce Highway.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Invest \$2.5 million to reduce the distance between charging stations along Australia's longest electric super charger highway.	In Progress

Key: Completed In Progress Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Minister for Transport and Main Roads	Department of Transport and Main Roads	Future-proofing the Bruce Establish a funding agreement in an 80-20 partnership with the Federal Government to deliver more than \$1 billion of funding annually. The Queensland Government will commit at least \$200 million a year to the Bruce Highway Trust and provide an initial injection of \$175 million for targeted productivity-boosting, safety and flood resilience projects.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$400,000 to fund a feasibility study into an overpass at the Beams Road level crossing at Carseldine.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Allocate \$20 million to four lane the Mount Lindesay Highway from Camp Cable Road through to the Johanna/Tamborine Street intersection. These works will raise the road for flood proofing at the same time. This is an addition to the works currently budgeted at Park Ridge South for four laning, the service lane at North Maclean and the Greenbank Road intersection.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$4 million for a business case to plan a Centenary Motorway bridge over the Brisbane River. The first stage would deliver an extra northbound lane, and be part of the creation of a new three-lane bridge northbound.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$6 million, on top of the \$400,000 already spent on planning, to fix the Ruthven Street and North Street intersection at North Toowoomba.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$4 million to install traffic lights and slip lanes at the intersection of Peachester Road and Old Gympie Road, outside the Beerwah State School.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide another \$6 million worth of upgrades to the almost complete Rothwell intersection to widen the approaches of Deception Bay Road at Morris Road, providing three through-lanes.	
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$26 million to deliver a four-lane Everton Park Link Road between South Pine Road, north of Kedron Brook and Stafford Road, east of Mountbridge Street.	

Key: Completed In Progress Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Minister for Transport and Main Roads	Department of Transport and Main Roads	Increase law enforcement to prevent trucks heavier than 4.5 tonnes illegally using the Brisbane Urban Corridor (BUC) as a through-route. Action may include: - installing anti-heavy-vehicle signage along Mount Gravatt-Capalaba Road, Kessels Road and Granard Road - compliance staff using mobile, automatic numberplate-recognition devices to identify the heavy vehicles flouting the road rules.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Undertake planning and design work for an improved solution to the eastbound one-lane choke point at the Linkfield Road/Gympie Arterial Interchange at Carseldine.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Continue to work with the Commonwealth to secure funding for important upgrades to the Gulf Savannah Way and assess the best path forward through the 2018-19 State Budget process.*	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$16 million for the resealing and drainage of Pasha Road, Moranbah.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Investigate reducing speed limits in areas of high pedestrian and cycling activity.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Deliver a road safety education program to empower young Queenslanders to safely and confidently use city and regional roads.*	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Deliver another \$50 million, taking the total investment to \$380 million over the next five years, to help repair and maintain the Townsville to Mount Isa rail line.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Boost the Marine Infrastructure Fund by \$30 million over 2 years.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$5.5 million to progress the design and establishment of a boat ramp at Yorkeys Knob.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$4 million to construct a new two-lane boat ramp at Newell Beach.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Subject to the finalisation of a business case, provide \$4 million for construction works on a barge landing site at Scarborough Boat Harbour.	In Progress
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$1.3 million to upgrade the ramp at Cabbage Tree Creek.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$1 million to upgrade the Dohles Rocks ramp to four lanes and add a floating walkway.	Completed

Key: Completed In Progress Not Yet Commenced

* Status as at November is based on a preliminary assessment of progress, subject to finalisation.

Minister	Department	Commitment	Status
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$5 million, subject to environmental approvals being obtained, to fund channel deepening works to provide all-tide access at Molongle Creek.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$1.4 million to fund two near all-tide lanes and a floating walkway for the Corbetts Landing boat ramp.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$2 million to provide two near all or all-tide lanes at the Thompson Point boat ramp.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$800,000 to construct a two-lane boat ramp with floating walkway at Riedel Road in Carbrook.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	\$4 million for boat ramps across the Whitsundays including: - at Midge Point - \$1.4 million for a new boat ramp in the Cape Gloucester/Dingo Beach area - improvements to Shute Harbour.	Completed
Minister for Transport and Main Roads	Department of Transport and Main Roads	Provide \$1 million for an additional lane on the existing boat ramp Grasstree Beach.	Completed
Minister for Natural Resources, Mines and Energy	Department of Natural Resources, Mines and Energy	Saving Habitat, Protecting Wildlife and Restoring Land Reintroduce legislation to protect remnant and high conservation value non-remnant vegetation. "High conservation value" will be defined consistently with the international definition advocated by the High Conservation Resource Network. However, the proposed reverse onus of proof on landholders prosecuted for illegal clearing will not be included.	Completed
Minister for Natural Resources, Mines and Energy	Department of Natural Resources, Mines and Energy	Saving Habitat, Protecting Wildlife and Restoring Land Maintain self-assessable codes (SACs), including for fodder harvesting, where they are providing appropriate protections. Where necessary, SACs will be amended in line with relevant scientific literature and advice from the Queensland Herbarium.	In Progress
Minister for Natural Resources, Mines and Energy	Department of Natural Resources, Mines and Energy	Saving Habitat, Protecting Wildlife and Restoring Land Continue to update and improve the mapping of protected vegetation and ensure that mapping for the purposes of vegetation management is based on the regional ecosystem mapping managed by the Queensland Herbarium.	Completed
